

HEINE DELTA30 & DELTAone BUNDLES

Buy a HEINE dermatoscope & receive a selection of curated accessories at no cost!

DELTA30 Bundle, with extremely sharp imaging, ergonomic handling & larger true field of view of 30mm (lens 32mm).

- ✓ free universal smartphone adaptor
- ✓ free small contact plate
- ✓ free desktop charger

DELTAone Bundle, with crystal clear imaging, excellent colour rendering & polarisation that eliminates glare & reflections.

- ✓ free universal smartphone adaptor
- ✓ free small contact plate

Charging Station

A compact design for convenient tabletop storage of your DELTA30.

Small Contact Plate

For the examination of difficult to access pigmented lesions, such as between toes & fingers, near eyes & ears.

Universal Smartphone Connector

Suitable for many common smartphone mounting cases, with a smooth surface where the camera must not protrude from the case.
